To Whom It May Concern:

Please accept this letter of the highest recommendation for Lady Cox. She is a hardworking professional dedicated to elevating the experiences of college parents. Lady would be a valuable addition to the AHEPPP Board of Directors.

In her role as Associate Vice President for Student Affairs, Lady oversees Parent & Family Programs and the Auburn University Parent & Family Association, a 30+ year-old organization. With her leadership, Auburn was one of the first universities in the country to implement Campus ESP and we now communicate with over 60,000 parents every month. Lady is also personally passionate about college parents as evidenced by the fact she researched the relationship between college parents and universities to complete her dissertation.

If selected for this role, Auburn University will support Lady participation by providing financial and resource support as needed.

If you need additional information, please let me know.

Sincerely,

Bobby R. Woodard, Ph.D.  
Senior Vice President for Student Affairs
