*Nomination Letter for: Sarah Joslyn, Director of Orientation and Transitions
AHEPPP Board of Directors*

To whom it may concern,

It is my pleasure to write a letter of support for the nomination for Sarah Joslyn, Director of Orientation and Transitions at Bowling Green State University to serve on the AHEPPP Board of Directors. I cannot think of a better professional to add to your board of directors than Sarah.

Sarah has been a professional in the field of parent and family engagement since 2018 and has been critical to the success of our parent programs through orientation since arriving at BGSU in 2021. She rose through the ranks quickly and was appointed Director of Orientation and Transitions in the spring of 2022 making considerable improvements to the program and engagement of our new student families. She is willing to step in and help wherever needed and leads with creativity, compassion, and strategy. She is a huge asset to BGSU and to our leadership team and represents BGSU well both with her work on campus and in her professional organizations.

As her supervisor, I am committed to her attending the two in-person board meetings each year and in support of her work on this board. BGSU will also fund her travel to the board meetings should she be elected to the board.

Please feel free to reach out if you need further information.
